Webinar: HPV Vaccination-The Dental Provider Connection

DATE: Thursday, December 7, 2017

TIME: 12:30 PM- 1:30 PM

Register at CE Zoom!

Dr. Alessandro Villa, DDS, PhD, MPH, of Brigham and Women's Hospital, Division of Oral Medicine and Dentistry will discuss the epidemiology of oral pharyngeal HPV infection and cancer. Participants will learn to recognize risk, signs and symptoms of HPV and HPV related cancers, strategies and management of HPV infections (including vaccination) and the role of dental providers in the oral HPV world.

To receive one CEU credit you must complete the survey- a link will be provided.

This is a collaborative effort of The Rhode Island HPV Workgroup, American Cancer Society, Partnership to Reduce Cancer in Rhode Island and Team Maureen.
